

## BECAN-CHICANNA TOUR

In the morning and accompanied by your tour guide you will visit the Becan Archaeological Site, a true Rio Bec-style Mayan City with monumental architecture from the VI to the X century of our time that is surrounded by a moat; then, we'll visit the Chicanna Archaeological Site, small yet beautiful place with a Rio Bec style with a building where you can admire an impressive zoomorphic facade that inspired the Chicanna Ecovillage Resort Hotel. Besides, in both places you can admire the surrounding nature, including a spectacular flora and interesting fauna that will be explained by your tour guide.
